Dear Loyal Customers,

We have an exclusive opportunity for you all. Come and join us for a fantastic private tasting matched with a delicious 3 course meal where the wine maker Viviana from Vina Leyda will be hosting this event herself.

Viviana is one of South America's finest young winemakers, making wine in Chile's Leyda Valley. The proximity of Vina Leyda to the Pacific Ocean is a cool but sunny climate, and irrigation from the Maipo River provides the perfect combination of conditions for Viviana to make exceptional wines.

Pinot Noir, Sauvignon and Chardonnay have been the stars of the Vina Leyda portfolio since their first harvest in 2001, since then they have also expanded to 216 hectares under vine. With Merlot and Cabernet Sauvignon just added also, the future for Vina Leyda is looking very exciting!

For a spectacular price of £34.95 you will get to experience an exciting range of Leyda Wines which is specifically complimented with a 3 course meal, what better yet Vivianna will join the largest group that books for this event so be sure to call all your friends and family!
